

Ghosts. Shadow persons.
Whispers in the dark. Things that go
bump in the night. If any of this
interests you, come to Thompson
Park on September 13, 2008 at 7pm.
Kimberly Mitchell, a local ghost
hunter, will be there to guide you
through the woods on the Back Nine.

Please bring the following:

Digital recorder

Either: digital camera that is 5 megapixels or more,
35mm camera, or a disposable camera.

Extra batteries for all equipment.

**Flashlight-this is very important. The woods
have no lights!!**

Come for a good time and learn a little about the supernatural world.
Thompson Park has an excellent ghost to start with. She is the Blue Lady.
Read more about her on the Thompson Park website- thompsonpark.org
Read a little more about me on my blog spot at

Hope to see you there.
